## Service Enterprise Virtual Training

In partnership with Points of Light, OneOC is proud to announce the NEW Service Enterprise Virtual Training Program.

The Service Enterprise Initiative is a holistic and customized change management approach to help organizations gain a greater return on volunteer investment and have greater impact in their communities.

An average Service Enterprise certified organization received:

**23%**  
Increase in  
volunteers  
annually

**+2,700**  
Hours of donated  
time from  
new volunteers

**\$63k**  
Value of labor  
from additional  
volunteer hours

### Benefits to becoming a Service Enterprise:

#### Volunteer Engagement

Organizations that effectively engage skills-based volunteers are more adaptable, sustainable and capable of expanding.

#### Process Improvement

Service Enterprise helps organizations refine infrastructure and address resource gaps to create a more viable, efficient and effective volunteer program.

#### Bottom-Line Impact

For every \$1 invested in effective volunteer engagement, organizations can expect \$6 in return through more effective program delivery. This represents a 600% return on investment.
