1. **What is the Charity Challenge?**

Charity Challenge is a season hosted by OneOC. During the season (August – October) companies, community groups, and nonprofits can form teams, at no cost, to participate in community events, and compete to win the Charity Challenge! Each category of team (community, corporate, nonprofit) will have specific activities throughout the season they can participate in to earn points for the team they are representing including serving at OneOC hosted events. At the end of the season, one team from each category will win a $1,000 donation to the nonprofit of their choice and be invited to the 2022 Community Cup on October 22nd to receive recognition for their exceptional service.

2. **What is the difference between Charity Challenge and Community Cup?**

The 2022 Community Cup is an event hosted by OneOC during the Charity Challenge season. The Community Cup is a great team building opportunity for company and nonprofit teams. Much like the Charity Challenge, teams are formed and there is an opportunity to win a donation to your nonprofit of choice. Unlike the Charity Challenge, the Community Cup is a one-day event for company and nonprofit teams to engage in friendly physical competition as a team building opportunity. Participating in OneOC hosted events that take place during the season, like the Community Cup, is one way to earn points in the Charity Challenge. To learn more about the Community Cup, please visit [www.oneoc.org/community-cup](http://www.oneoc.org/community-cup)

3. **Can my organization compete in both? Or just one?**

Your organization can compete in both the Community Cup and the Charity Challenge. Be sure to register your team for both events, it is free to join the Charity Challenge; there is a team fee to register for Community Cup.

4. **Is there a minimum fundraising goal or volunteer hours needed to participate?**

There is no minimum fundraising goal or number of volunteer hours required to participate in Charity Challenge. However, those types of activities are examples of how you can earn points for your Charity Challenge team. We’ve come up with many ways to earn points during the Charity Challenge, all of which help nonprofits and the community! Please check out the scoring guides linked on the Charity Challenge webpage

5. **Can I get my friends together to form a community group?**

Yes! Teams must be made up of 3 – 20 individuals and the team captain must be 21 years old or older.

6. **What are the requirements for the makeup of a Charity Challenge team?**
Teams may include between 3 – 20 individuals. We have weighted scoring to ensure that large teams don’t have an unfair advantage. Team captains must be at least 21 years old. If you are representing a company or a nonprofit, at least 3 members of the team must work for/be a part of the organization. The rest of the team members may include friends and family.

7. **Does my nonprofit need to be a OneOC Member to participate in?**

While we encourage it, the answer is no. Your charity of choice simply needs to be a registered 501(c)(3) organization.

8. **Can my business/Organization field more than one team?**

Yes! Individuals may only join one team, but an organization may create more than one team. Please be sure to distinguish between the teams by choosing different “team names” during registration.
