

2022 Community Cup

FAQs

1. What is the Community Cup?

The Community Cup is OneOC's newest signature event. The inaugural event was a big success in 2019 and we are back in-person this year. The Community Cup is a chance for companies and nonprofits to form teams and partake in a day-of friendly physical competition that fosters teambuilding and employee engagement while doing good. Teams will participate in games like human foosball, soccer shoot outs, cornhole, tug – o – war and more!

Each team selects a nonprofit to play on behalf of. The team in first place, after competing in all the games, wins a \$5,000 donation to their charity of choice. Second and third place teams win a donation of \$3,000 and \$2,000 respectively.

We encourage all teams – companies and nonprofits – to meet and mingle as you play. It's teambuilding, networking, doing good, and having fun all in one event!

2. How do I register a team and what are the parameters?

Click the registration link on this webpage! Teams can be made up of 8 – 12 individuals. At least half of the team members must be members of the organization they are representing. Games are set up so not all team members participate in each game. You can take turns, be strategic, and be flexible to everyone's abilities and strengths.

Company team registration costs \$1500 per team; nonprofit team registration is \$1000 per team. Each team who registers receives a \$100 giving card to redeem as a donation to their charity of choice.

The team registration will ask you to select a nonprofit who will receive the prize donation, should your team win. It will also ask for a designated team captain's name and contact information. The team captain will be our point of contact with whom we share all event information and updates. Team captain must be at least 21 years old.

All team members will need to sign a waiver on the day of the event to participate in games.

3. Can we select any nonprofit to play on behalf of?

Yes! The nonprofit must be a registered 501(c)(3) organization to be eligible to receive the prize donations and/or your \$100 giving card.

If you need help connecting with a nonprofit in a particular impact area (hunger, homelessness, education, etc.), OneOC can help by giving you options and making a connection. Reach out to volunteers@oneoc.org for more information.

We also encourage you to support your nonprofit of choice leading up to the Community Cup by participating in our Charity Challenge season – this is another change to win a prize for your nonprofit and it doesn't cost anything to join the challenge! For more information about the Charity Challenge, visit www.oneoc.org/charity-challenge

2022 Community Cup

FAQs

4. When and where will Community Cup take place?

It will be on October 22, 2022 at the Great Park in Irvine, CA from 8am – 1pm.

5. Will there be food and drink?

Help us be environmentally friendly! We encourage you to bring your own water bottle as we will have hydration (water) stations on site for you to refill.

There will be several food trucks (including an option for coffee) on site for this event. The cost of food is not included.

6. What will I need to bring the day of?

- Water bottle (see question above about food/drink)
- You are welcome to bring/pack snacks and food
- In the past, teams have created and worn their own shirts
- Comfortable closed toe sneakers (no cleats or heels allowed)
- Chairs, blankets, umbrellas
- Hats and sunscreen

7. What should I leave at home?

Please do not bring alcohol or weapons of any kind to this event. We will have security present, but please do your part in keeping this a safe, fun environment.

8. Can I bring my friends and family to watch?

Yes! You are welcome to have friends or family come watch. We suggest they bring chairs/blankets and umbrellas for shade (depending on the weather). We will have face painting and balloon animals for kids.
