In Orange County and through our national licensed partner, we use a long-term approach grounded in exploratory dance education to foster the confidence and gifts within each child to innovate, communicate, and collaborate – skills necessary for success in school and in life. Since 2005, 100 percent of students who graduate from The Wooden Floor graduate high school on-time and immediately enroll in higher education, and many of them go on to pursue degrees in business, engineering, medicine, and the arts.
