INSTRUMENTAL MUSIC INSTRUCTOR
(Band or Strings)

ARTS & LEARNING CONSERVATORY VISION & CULTURE
The best and brightest always have choices in the Performing Arts Industry. We exist to make high quality arts, equitable and accessible to all children, regardless of socioeconomic status.

The Arts & Learning Conservatory is a highly awarded, leading after-school arts provider in Orange County. Our high-quality arts programs are accessible to all children regardless of income or background as our goal is to set students up for success in life artistically, academically, and socially. Founded in 2004, the Arts & Learning Conservatory (ALC) reaches nearly 1,500 children annually across numerous campuses throughout Southern California. Students confidently explore the arts within a family-feel environment. We purposefully make each program meaningful, challenging, and impactful.

We want you to view your time with the Arts & Learning Conservatory as an investment in your future that includes growth along the way. The longer you stay with Arts & Learning Conservatory the wider the breath of opportunities and experiences you will gain and the greater impact you will make on the lives of our youth. We know that our overall success is a combined effort. If you are looking for an opportunity to express and explore your passion for the performing arts in a supportive and inspiring atmosphere, read on!
