## WHY CHOOSE ONEOC FOR ACCOUNTING?

- **Expertise and Experience** - We address the nuanced challenges your nonprofit faces, manage your internal and external accounting and financial reporting needs.
- **Mission Impact** - Delivering programs to the community and raising the funds for your mission is critical to your organization. That is why we make it as easy as possible for nonprofits to provide clear financial reporting.
- **Grant Reporting & Compliance** - Nonprofits must meet the requirements of the granting agencies that supply a portion of their funding. Our extensive and diverse experience with grant reporting and compliance helps nonprofits like yours meet those requirements.
- **Tax and Audit Filing Assistance** - Keeping your books up to date throughout the year makes filing time that much easier. We work alongside your CPA to provide the reports necessary for your 990 tax filing and audits and provide support during the process on your behalf.

**As nonprofit accounting experts, you can trust that your books will be taken care of and be prepared for your tax and grant filing needs. We're happy to see how we can help your organization - contact us now!**
