

Accelerating Nonprofit Success

VOLUNTEERPRO FOR COMPANIES

Unlock Employee Engagement through Corporate Social Responsibility (CSR)

Is your company looking to make a lasting impact on your community while enhancing your brand? OneOC is your partner for comprehensive CSR solutions that align with your business goals and company values.

ABOUT OUR SERVICES:

OneOC's team of experts provide successful management and elevation of employee engagement programs. CSR focused service solutions are customizable, easy to access, and based on leading practices and emerging trends, which include:

- CSR strategy and training support
- Actionable assessments to inform CSR strategy and reporting
- Emerging leader professional development and community leader placement
- Corporate volunteer project support and execution
- Team building events and activities (virtual and in-person options)
- Networking with like-minded companies and CSR professionals

WHY CHOOSE ONEOC:

- **Nonprofit Lens** - OneOC is your connection to the nonprofit community; we bring the nonprofit lens to make your CSR efforts impactful
- **Employee Engagement Expertise** - We are experienced employee engagement event experts; let us deliver the events that allow you to see engagement benefits while your employees focus on their work and expertise.
- **Decades of Experience** - We bring CSR trends, leading practices, and experiences together in a one-stop shop for companies - and we've been delivering on these services for decades.
