

Accelerating Nonprofit Success

## VOLUNTEERPRO

**Are you looking to engage more volunteers but lack the resources to effectively recruit, train, recognize, and empower them?** We can help to strengthen your hands-on volunteer network, leverage skills-based volunteers, and build your board and committees.

### ABOUT VOLUNTEER SERVICE SOLUTIONS:

OneOC's team of volunteer management experts can help you reach your volunteer goals by supporting the successful management and elevation of your volunteer program. Service solutions are customizable, easy to access virtually, and based on leading practices and emerging trends, which include:

- Customizable templated resources to leverage within your organization.
- Project-based analysis and development of your volunteer processes and infrastructure.
- Ongoing, partner support to execute core volunteer management functions.
- Volunteer recruitment and engagement training & professional development for all levels
- Actionable assessments for your volunteer engagement strategies
- Volunteer recruitment tools, matching, and placement services

### WHY CHOOSE ONEOC FOR VOLUNTEER MANAGEMENT?

- **Expertise and Experience** – With these services, you gain the opportunity to tap into a skilled team of experts who can assist your organization in maximizing volunteer engagement and successfully overcoming common challenges in the volunteer space.
- **Mission Impact** – Volunteers are crucial for driving your mission forward. OneOC will provide essential resources and virtual support to grow your volunteer structure and enhance your ability to achieve your mission.
- **Sustainability** – Using our resources to increase your volunteer engagement will equip you to elevate volunteers at all levels, allowing for greater sustainability and growth of your organization.
