

# MATCH MEET SERVE

## GROW YOUR COMPANY BRAND & IMPACT IN THE COMMUNITY WITH THE SUPPORT OF ONEOC!

OneOC curates custom volunteer projects for your organization based on employee engagement goals, social responsibility strategies and your desired impact area. OneOC leads in the areas your organization needs support, from operations management, nonprofit communications, budget management, leadership, impact reporting, and more.

### ABOUT OUR SERVICES

Employing its vast network and experience, OneOC connects your company to nonprofits based on social impact goals. Matches and referrals are packaged according to your company's needs.

- Curated corporate team volunteer service projects that align with your company's brand and culture
- All-in-one event management team led by CSR experts motivate teams and make service projects engaging and memorable
- Our team provides the level of support YOU need – by ensuring the tiny details are taken care of. We can plan, prep, and execute; you choose where you need us.

### WHY CHOOSE ONEOC

- **Increased Productivity** – Engaging in corporate volunteer projects increases productivity, profit, and loyalty.
- **Greater Employee Engagement** – Serving alongside nonprofits in your community creates greater employee engagement, skill-development, and teamwork.
- **Seamless Project Management** - Partnering with OneOC ensures your impact will be meaningful, your project will be seamless, and your support of nonprofits will be noticed. No hassles or headaches with coordinating
