SENIOR VOLUNTEERING PROGRAM

Elevate Your Impact with Experienced Volunteers

Unlock the potential of active older adult volunteers aged 55 and above through the RSVP (Retired Senior Volunteer Program). This members-only initiative, in partnership with AmeriCorps, connects seasoned volunteers with organizations addressing critical issues like homelessness, food insecurity, educational readiness, and disaster response. Established in 1971, RSVP is one of the largest senior volunteer organizations making a significant impact on communities across the nation.
