

## OUR EXCITING OPPORTUNITY

*Community Action Partnership* has an exciting opportunity for

### ***Lead Care Coordinator***

In this role, the Enhanced Care Management (ECM) Lead Care Coordinator will assist with the development and implementation of program procedures and ensure that requirements are aligned to build sustainable support in impacting the lives of hundreds of residents, playing a critical part in the work and dedication of *Community Action Partnership of Orange County's* initiatives. It's leadership with a cause and the rewards are immeasurable!

## WHO WE ARE

Born out of the War on Poverty more than 50 years ago, Community Action Partnership Orange County (CAP OC) is a trusted resource for Orange County community members who face obstacles such as food insecurity, unemployment, economic turmoil and more. We walk alongside the people we serve, and we act to meet immediate needs without delay. Our programs help empower people to improve their lives and their communities. We see poverty as an unacceptable reality for our neighbors and rally with key partners to help facilitate change.

CAP OC hires professionals who support and embody the following **EPIC** values:

Going above and beyond in every interaction and activity we undertake. We strive for **EXCELLENCE** in service, keeping a pulse on the most up to date innovations within our industry. Together we continually assess and improve the way to work and enhance the strategies we utilize to meet the needs of our community.

Reaching our goals by working collaboratively with each other and our community. We are working to do the things that have not been done: empowering families and individuals to financial independence, breaking the cycle of poverty, creating financial equity, combating food insecurity, and establishing healthy and energy-efficient living conditions for all through social innovation. All of this takes **PROACTIVENESS**, and an intrinsic motivation that drives us to go above and beyond to create cutting-edge trends and program designs. We have the will and the energy and won't stop until the needs of our underserved community no longer exist.

We are a team of high **INNOVATION**. We value the work we do; the people we serve; and treat each other with respect and kindness. We also have an environment of engaging in social economic justice by sharing of ideas and not afraid to try new things that increases our educational capacity. We think outside of the box, and challenge prevailing assumptions about issues of poverty.

Reaching our goals by working in partnership with each other and our community. The work we do is deeply rooted in the **COLLABORATION** we have with our community and its citizens. We care about the legacy of community action partnership and go above and beyond to ensure we support each other in bringing forth the services and resources that will positively change generations forever.

We have remained true to our mission *“We seek to end poverty by stabilizing, sustaining and empowering people with the resources they need when they need them. By forging strategic partnerships, we form a powerful force to improve our community.”*

### VALUES

In addition to our EPIC values our external values are as follows:

#### **Leadership**

We are guiding critical shifts in how people think and act to address the root causes of poverty

#### **Collaboration**

We bring together all capable partners to achieve transformative results

#### **Trust**

For over 50 years, the community has counted on us to empower those in need

#### **Compassion**

We treat each person we serve respectfully and with great care

#### **Justice**

We are passionate about advocating for those living in poverty and creating equity throughout the region

### WHAT YOU WILL ACCOMPLISH IN THIS ROLE

The ECM Lead Care Coordinator will deliver intensive, in-person care management services to the most vulnerable populations, including individuals and families experiencing homelessness, high utilizers, children and youth involved in child welfare, and tenants in CAP OC housing units. This role will address both clinical and non-clinical needs, working as part of the member’s multi-disciplinary care team to coordinate all aspects of Enhanced Care Management (ECM).

*The salary for this position is \$26.00 - \$28.00 per hour.*

*This position will follow a hybrid schedule, with the ECM Lead Care Coordinator’s time split between the Office, time in the Field, and Remote work. The exact split may fluctuate from week to week and the Lead Care Coordinator is expected to exercise professional discernment in determining the best allocation of his/her time, and were. Hybrid schedules are subject to change based on program needs and/or the reporting manager’s discretion.*

### ROLES AND RESPONSIBILITIES

- **Comprehensive Case Management:** Conduct client screenings and assessments; develop, implement, and monitor individualized care/service plans; provide crisis intervention; connect clients to health, mental health, employment, housing, and other community resources, including CalAIM community supports and transportation.

- **ECM Services Oversight:** Supervise the provision of Enhanced Care Management (ECM) services, including the development and implementation of care plans.
- **Documentation:** Maintain accurate records of service objectives, outcomes, and other services in line with established guidelines.
- **Interdisciplinary Communication:** Facilitate clear communication among interdisciplinary care team members to ensure awareness of clients' care plans.
- **Provider Coordination:** Collaborate with clients' providers, including but not limited to medical, behavioral health, specialists, and housing navigators.
- **Client Accompaniment:** Accompany clients to office visits as needed.
- **Service Coordination:** Coordinate with individuals and entities to ensure a seamless client experience and avoid service duplication.
- **Approach Utilization:** Employ motivational interviewing, trauma-informed care, and harm-reduction approaches.
- **Treatment Monitoring:** Monitor clients' adherence to treatment plans, including medication.
- **Health Promotion:** Provide health promotion and self-management training.
- **Reporting:** Complete and submit program reports as scheduled or needed.
- **Member Engagement:** Engage with eligible members.
- **Additional Duties:** Perform other duties as assigned

#### **THE IDEAL CANDIDATE HAS KNOWLEDGE AND EXPERIENCE IN**

- **Medical Terminology:** Proficient in medical terminology for effective communication with healthcare providers and accurate interpretation of medical records.
- **Health Insurance:** In-depth knowledge of health insurance plans, including Medicare, Medicaid, and private insurance, along with claims processes.
